

Dennis Guthery, Ph.D.

Professor Emeritus - Goodyear Professor of Industrial Marketing

About Thunderbird:

Thunderbird is the world's No. 1-ranked school of international business with more than 65 years of experience in developing leaders with the global mindset, business skills and social responsibility necessary to create real, sustainable value for their organizations, communities and the world. Dedicated to preparing students to be global leaders and committed global citizens, Thunderbird was the first graduate business school to adopt an official Professional Oath of Honor. Thunderbird's global network of alumni numbers 40,000 graduates in 147 nations worldwide. The school is sought out by graduate students, working professionals and companies seeking to gain the skills necessary for success in today's global economy.

Areas of Expertise:

Marketing Research, Marketing Communications

Courses:

Customer Analysis, Customer Relationship Management, Global Marketing Communications, Global Marketing Research, Global Sales Management, Marketing from a Global Perspective

Dennis Guthery joined the Thunderbird faculty in the fall of 1983 as an associate professor of marketing. When he retired in 2005 he held the title of Goodyear Chair of Business-to-Business Marketing. He earned his B.S. degree in geography and his M.S. degree in marketing, both from Auburn University. He earned his Ph.D. in Marketing from Michigan State University. Before coming to Thunderbird Dr. Guthery taught at the graduate program in business administration at the Federal University of Rio Grande do Sul, Brazil, and at Auburn University - Montgomery.

He is a former editor of The International Executive and a former president of the Business Association of Latin American Studies. He has been a consultant or research project coordinator for several multinational corporations and organizations, including Teledyne, General Motors, 3M and the United Nations. Dr. Guthery has worked in Brazil, Russia, Pakistan, France and Mexico.

He maintains an active research agenda and has coauthored articles on success factors for Brazilian exporters in the Journal of Global Marketing (2006), the International Journal of Business Strategy (2007), and the European Journal of Management (2008). He serves on the editorial review board of the Journal of Economic Perspectives and the Latin American Business Review.

Educating global leaders who create sustainable prosperity worldwide
