

## **Dick & Betsy DeVos Scholarship**

**History:** This scholarship was established in 2008 by Trustee Dick DeVos and his wife Betsy through their Campaign Thunderbird gift to support worthy students particularly those from "Developing Nations".

**Criteria:** Scholarships will be available to entering MA/MS or MBA students who:

- Meet the School's general admission requirements and have been offered admission through the Office of Admissions.
- Students would have GPA and GMAT/GRE scores that are in the upper 50th percentile for their home country.
- Preference will be given to students who come from Developing Nations whose populations are underrepresented in Thunderbird's student body.
- Preference will be given to students who have demonstrated interest and/or experience in social and business entrepreneurship.
- Preference will be given to students who have shown commitment and outstanding performance in other areas of endeavor.

**Process:** Two top qualifying students will be selected by the School's Office of Admissions as the potential recipients of this scholarship award. The two students will be submitted to the donors for review and a recommendation. Final award will be made based upon the donor's recommendation.

**Award Amount:** At least one Presidential (Full Tuition) Scholarship will be awarded each year.
