RESIDENCE HALL APPLICATION

In order for this application to be processed, it must be accompanied by a \$300 housing deposit.

*The Housing Deposit is **NON-REFUNDABLE** if cancellation or deferral notice is not given 30 days prior to the opening of the residence halls for requested trimester. Your request for housing will not be considered unless deposit is received. Priority is given by “receipt date of housing deposit.” Official acceptance is not required before applying for housing.*

The housing deposit will be kept on record with our Finance & Accounting Department until you no longer live on-campus. This deposit will be forfeited if there is any damage to the residence hall room that you are assigned. This deposit will also be forfeited if you do not officially check-out with your Resident Assistant for your area, or the Housing Services Office before you leave campus.

If there is any change in housing request after submission of application, i.e., trimester, address, cancellation, etc., it is your responsibility to contact the **Housing Services Office directly to indicate change.**
