

*Building Global Sustainable Enterprises:
Global Microfinance, Development & Leadership
Washington, D.C.
June 5-10, 2011*

The purpose of this program, led by Dr. Jane Ives, is to visit and meet with executives of major Microfinance Institutions and learn about their current objectives, operating strategies, implementation difficulties and plans for corrective actions. Internship opportunities may result. The program is limited to 15 participants from various schools and participation is on a first deposit basis.

A program fee of \$650.00 is required to secure your participation in the Microfinance Program. The check should be made out to the Thunderbird Global Financial Services Center.

Your Additional expenses (beyond the \$650.00 program fee) include: your airfare, student hotel, meals and weekly subway pass.

*Please send the fee by May 5, 2011 with the completed application form to:
